## **Kind note to all the students and their Parents / Guardians :**

Before getting admission Parents and students have every right to visit the college campus and hostel and inspect the available facilities. Make sure that the facilities provided by us in the college and hostels are satisfactory. You can take admission only if you are fully satisfied with the facilities.

Please note that, the curricular and co-curricular activities and all-round development activities for the academic year/course will be planned on the basis of the actual number of admissions availed and the fee collected. Therefore once you pay the fees towards admission it will not be refunded.

Both the college and hostel fee paid by you including the deposit will be forfeited without any notice. If the student discontinues the course or cancels the admission as mentioned above, the vacated seat will be a loss for the institutions and the said loss should be borne by the concerned student's parents or guardians only. Therefore you are liable to pay the entire course fee. The institutions is no way concerned about such kind of loss and such kind of attitude is not encouraged.

I have read the above rules and regulations of your institutions. Accordingly I have inspected the facility available in the college and hostels and I am very much happy.

I have no objection to take admission for my ward son/ daughter/relative in your college. I also agree that, if the student withdraws his/her admission in the beginning or in the middle I will not blame the institutions and I know that the institutions is not responsible for such cancellation and I am assuring you that, forever there will not be any claim from my side.

# UNCONDITIONAL BOND

## EXECUTION OF AN UNCONDITIONAL AND VOLITIONAL BOND IN FAVOUR OF INSTITUTIONS IN CONNECTIONS WITH THE FORFEITURE IF NON-REFUNDABLE EDUCATION FEE PAID UP BY THE STUDENTS TO THE INSTITUTIONS

That in furtherance of the decalaration made by me as stands reflected on the reverse of the application form preferred by me the relevant excerpted portions of the same stands reflected here infra (I am also aware that college and hostels fees once paid shall not be refunded in case I need to quit the course I am liable to pay the full amount for the whole course.) on perusal of the contents of the application form preferred at the time of joining the said institution, my having duly acknowledge my signature volitionally and voluntarily to the said application form being fully cognizant of the forfeiture clause as stands reflected in the stand declaration, I shall hereby execute an unconditional and volitional bond in favour of the institution wherein I am a student or as I shall join to as stated supra being fully cognizant of the forfeiture clause incorporated under the said declaration.

I hereby also volitionally, voluntarily and unconditionally undertake that I shall not claim any amount paid up by me towards the college and hostel fees under separate heads either separately or individually or collectively to the institution and I shall hereby also volitionally, voluntarily and unconditionally undertake to forfeit the full amount paid up by me to the said institution under separate heads towards educational fees either separately or individually or collectively from the institution under any circumstances and incase I happen to quite the course on any point of time before the completion of the course.

I shall also hereby declare volitionally, voluntarily and unconditinally that henceforth I positively have no claim over the nonrefundable college and hostel fee paid up to the said institution by me at the time of joining the said institution and further I shall not embark upon any litigation against the management of the institution which I intend to join or wherein I am a student in respect of any claim for the nonrefundable education fee before any court of law or forum or tribunal. Further I am also cognizant of the irrefutable objective fact that if I happen to leave the college on any join or wherein I am a student requires to be inevitably kept vacant for the entire period of course as would ensue a colossal monetary loss to the management of the institution.
